

- Conifer seedlings/biological remediation of damping-off ..... 259
- Cypripedium macranthos* growth/effect cold pretreatment, media ..... 669
- Dianella tasmanica*/some success ..... 171
- Germination/tree seeds under stress ..... 442
- Germination strategy for seed of *Verbena x hybrida* .. ... 75
- Hosta propagation ..... 382
- Native plant propagation/discussion group ..... 623
- Native Colorado Plateau species/propagation of promising ..... 576
- Native plants/the propagation of ..... 89
- New nursery/steps in the development ..... 153
- Orchid/non-symbiotic seed propagation/two Japanese natives .... 667
- Ornamental grasses/propagation ..... 517
- Perennials, timing is everything in propagation ..... 265
- Perennials/propagation of selected ..... 324
- Polyproplene fabric/many uses for ..... 393
- Propagating plants outside/discussion group ... 629
- Propagation endangered species/germination pink sandverbena ..... 617
- Seed vigor testing using computer-aided image analysis ..... 387
- Seed dormancy/vegetable and flower species .. ... 248
- Seed/collection, treatment and storage ..... 114
- Seed/preparing, patience, persistence in seed ..... 111
- Seed germination lily/developmental stage and scarification ..... 661
- Seed germination lily/embryo culture and scarification ... 663
- Seedbeds/PennMulch use for ..... 263
- Seedling production in the northern plains ..... 614
- Seeds and seedlings/discussion group ..... 565
- Sophora* seed/treatment of N Z. species to hasten germination ..... 113
- Seedlings**
- Water recycling in a seedling nursery .. ... 72
- New nursery/steps in the development ..... 153
- Conifer seedlings/biological remediation of damping-off ..... 259
- Polyproplene fabric/many uses for ..... 393
- Growing plants in a cinder block ..... 527
- Seeds and seedlings/discussion group ..... 565
- Seedling production in the northern plains ..... 614
- Shade Frames and Shading**
- Shading and stooling/using old stock plants in new research .... 270
- Shipping**
- Propagation material/shipping and packaging ..... 498
- Tree root culturing in polypropylene pads . ..... 574
- Shoot Growth**
- Light light light . ..... 322
- Perennials/cytokinins increase lateral shoots ..... 329
- Quercus rubra* propagation/cutting micro-positional effects .... 361
- Epicormic sprout production/forcing environment affects/hardwoods ..... 399
- Platycodon*/adventitious bud formation from leaf explants ..... 650
- Shrubs, Deciduous**
- Grafted nursery stock production/Yorkshire Plants ..... 540

Sub-irrigation to root stem cuttings/a project review .....	637
<b>Soil and Soilless Mixes</b>	
Bara minerals .....	405
Beneficial microorganisms addition to growth media/overview .....	426
Cocopor/cocofiber and peat based soil additive . . . . .	409
Composted <i>Miscanthus</i> straw/growth medium for pot plants . . . . .	424
Composting at Weston Nurseries ... ..	375
Container media/spent mushroom substrate use ... ..	369
<i>Cyrtopodium macranthos</i> growth/effect cold pretreatment, media .....	669
Grodan/properties and use ... ..	408
Native orchids Tasmanian/propagation and culture .... ..	173
Peat/experience with steam treated .. ...	422
Peat control in nurseries and peat declaration. . . . .	417
Peat and substrate production/an overview .....	415
Peat/self-heating .....	419
Tondemonai pot and Shozo-70 nursery soil .. . . .	655
Toresa .....	410
<b>Soil-borne Diseases</b>	
<i>Armillaria</i> control/Royal Tasmanian Botanical Gardens . . . . .	133
Beneficial microorganisms addition to growth media/overview .. . . .	426
Cleanliness in propagation with the use of agribrom .... ..	602
Conifer seedlings/biological remediation of damping-off .. ..	259
Growth medium with composted cow manure .....	413
Peat/experience with steam treated. . . . .	422
Root Exudate in six sorghum accessions/chemistry studies .....	386
Water recycling in a seedling nursery . . . . .	72
<b><i>Sophora</i></b>	
<i>Sophora</i> seed/treatment of N Z species to hasten germination . . . . .	113
<b>South African Natives</b>	
South African plants/importance and domestication .. . . .	45
<i>Lachenalia</i> /effect of temperature and watering on bulb growth .....	62
<b>Specialized Equipment</b>	
Irrigation system/upgrades .....	318
Fog system/economical low pressure .....	335
Perennial planter/six-row .....	376
Tree root culturing in polypropylene pads .....	574
Rooting cuttings in mist-irrigation greenhouse .....	656
<b>Spore Propagation</b>	
<i>Dicksonia antarctica</i> /propagation .. . . .	178
<b>Spraying</b>	
Western flower thrips in Tasmanian glasshouses/experience .. . . .	184
Botrytis during plant propagation/control .....	543
Seeds and seedlings/discussion group .... ..	565
<b>Sterilization see also Aerated Steam</b>	
Peat/experience with steam treated . . . . .	422
<b>Stock Plants</b>	
Clematis propagation by cuttings .... ..	478
Herbaceous plants/alternative methods to propagate .. . . .	584

- Perennial stock plants/managing ..... 167
- Shading and stooling/using old stock plants in new research ..... 270
- Stratification**
- Acer* species/germination and growth ..... 595
- Acer diabolicum*/seed propagation ..... 255
- Native Colorado Plateau species/propagation of promising ..... 576
- Native plant propagation/discussion group ..... 623
- Propagation endangered species/germination pink sandverbena ..... 617
- Seeds and seedlings/discussion group ..... 565
- Stress**
- Germination/tree seeds under stress ..... 442
- Syringa**
- Lilacs/propagation of French hybrids ..... 325
- Taxus**
- Taxus*/renewed interest/New Zealand implications ..... 93
- Chlorophyll fluorescence as a tool in propagation ..... 276
- Teaching see also Training**
- College-based training/for nursery industry ..... 208
- Horticultural study by correspondence ..... 211
- Plant propagation education/a community college approach ..... 377
- Temperature**
- Germination strategy for seed of *Verbena xhybrida* .. .. 75
- Lachenalia*/effect of temperature and watering on bulb growth .. .. 62
- Peat/self-heating ..... 419
- Winter survival/creative ways of protecting plants ..... 309
- Tissue Culture and Biotechnology**
- Apple rootstocks by tissue culture ..... 180
- Artificial seed technology application/in forest trees ..... 647
- Clonal rootstocks of *Pyrus communis*/propagating .. .. 603
- Cypripedium macranthos* growth/effect cold pretreatment, media ..... 669
- Hosta propagation . ..... 382
- Micropropagation lab/setting up a small scale .. .. 598
- Micropropagation of *Gloriosa superba*/by tuber culture ..... 653
- Micropropagation of *Farfugium japonicum* ..... 520
- Phalaenopsis* alliance/micropropagation of ..... 668
- Photoautotrophic conditions/growth promotion in vitro woody plants .. .. 648
- Platycodon*/adventitious bud formation from leaf explants ... .. 650
- Rhododendron yedoense* micropropagation... .. 659
- Tissue culture/what more can it do for us... .. 570
- Tissue culture/making it pay ..... 312
- Ulmus*/second generation cuttings/increase rooting and quality .. .. 379
- Trademarks, Patents, and Plant Variety Rights**
- Labelling and branding/plant material ... .. 107
- Training Workers see also Teaching, Education**
- College-based training/for nursery industry ... .. 208
- Horticultural study by correspondence . ... .. 211
